

# Fitness Audio® Personal PA System

Fitness Audio® Personal PA Systems are great for Fitness Trainers and Swimming Instructors plus Tour Guides, Teachers and Voice Coaches. Save your voice when you walk and talk with groups - get this battery powered Waistband Amplifier and Headmic set and be heard up to 30+ meters away. Designed for small groups, indoors or out. Finished in all black with a fully adjustable waistband to fit X-Small to X-Large presenters. It uses 6 rechargeable or alkaline batteries, and includes a recharger (for rechargeable batteries only). Additional headsets and windscreens available.
