

## X50IWT

### PRESENTATION

2-way wall mount loudspeaker with transformer

### FEATURES

The X50IWT is a premium two-way wall-mount system featuring the same speakers as the X50T, so providing the same top performance and high-quality sound with a minimal visual impact. Thanks to the elegant XENIA family look, X50IWT will fit perfectly into any commercial or residential environments. The optional INWALL05P plastic box for flush-mounting will provide a quick and easy mounting system and a closed rear cabinet for an improved sonic performance.
