

XE35TB

PRESENTATION

2-way wall mount loudspeaker with transformer

FEATURES

XEOS has been designed for contractors and installers looking for a wide choice of cost-effective, elegantly designed speakers with good quality sound.

CODE: XE35TB

TECHNICAL SHEET

System type: 2-way enclosure

Nominal Impedance: 8 ohm

Input power rating (continuous): 15

Input power rating (peak): 30

Frequency response: 70Hz - 20kHz

Sensitivity: 85dB @ 1W/1m

Low Frequency Device: 3.5" woofer

High Frequency Device:1" dome tweeter horn loaded

Constant Voltage Selector:70V-100V

Transformer Power Selector:8 ohm-1/2/4/7.5/15W

Construction:Injection reinforced hi density polypropylene

Cabinet Colour:Black

Weight:1,8

Dimensions (W x H x D):13 x 19.8 x 13 cm
